

AFTES 2026 – Article submission platform user guide

As part of the **18th AFTES International Congress 2026**, your abstract has been accepted. You are now invited to submit your **full paper** on the dedicated platform. Your login credentials for the submission platform are sent by e-mail. If you do not receive them, please contact the [Scientific Secretariat](#).

Instructions for preparing your paper

Please refer to and strictly follow the layout/formatting instructions when preparing your paper. In case of non-compliance, papers will be automatically returned to authors for correction.

Important: final acceptance of your paper is conditional upon implementing these corrections.

To download the instructions, click [here](#).

Important Information

The platform will remain open until January 5, 2026 at 23:59 (Paris time). After this deadline, no submission or modification will be possible and any paper not submitted will not be considered.

Sign-in

1. Open the platform link:
